Elk Point PeeWees off to Provincials

Elk Point Co-op Peewees leave early Friday morning for the Provincial Peewee "C" Hockey Championships in Provost, where they will compete with teams from all over Alberta.

Elk Point's first game will be played against Standard at 1:00 p.m. Friday, with two more games on Saturday, against the home town Provost Peewees at 10 a.m. and against Valleyview at 6 p.m. Further play in the semi-finals depends on the outcome of these three games.

For those at home who wish to keep informed of the team's progress, please listen to Radio LW or CFCW for updates.

Numerous donations of cash, merchandise and services have helped the Peewees to prepare for their trip to Provost. Cash donors were the Elk Point Lions Club, Elk Point Elks Lodge, Elk Point Insurance and Realty, Canadian Salt, Alberta Treasury Branch, Dave's Pizza, Empress Dining Lounge and George Anderson.

Don Woytkiw volunteered his services to send the boys off with sharp skates all around, free of charge, while a number of groups provided gifts and trading items for the boys to take along. These include caps and banners from the Bantam Elks, caps from the Senior Elks, pens and bags from the Treasury Branch, and pins from the Town of Elk Point, Lakeland Tourist Association and Elk Point Chamber of Commerce.

Other donations came from St. Paul Beverages, Murray Miller Distributors, Ron Barwick and BMW Monarch, while the Elk Point Co-op provided new sweaters earlier this year and a full page congratulatory ad.

To keep the team in championship form, Conrad Jean of St. Paul brought a pickup team over for an exhibition game Monday night, which the Elk Point squad won 5-3. Thanks to the St. Paul group for their visit.

ELK POINT CO-OP PEEWEES — Have high hopes going into this weekend's Provincial Championship tournament. Front row, l-r: James Capjec, Norbert Bernard, Matt Higgins, Curtis Porcina, Lindsay Jenner, Kevin Bates, Jim Onusko; centre row: Brad Yakemchuk, Darcy McLaughlin, David Meger, Robin Yakemchuk, Kim Hawryluk, Chris Cameron, Todd Anderson (missing - Greg Van Maarion). Back row: Rodger McLaughlin, representing Elk Point Co-op; John Yakemchuk, Manager; Ron Onusko, Assistant Manager; Orest Capjack, Trainer; Blair Capjack, Assistant Trainer; George Anderson, Coach.

Oil town Mayors meet tomorrow

The mayors of Bonnyville, Cold Lake, Grand Centre and Elk Point will meet tomorrow to formulate a brief asking for government direction on their long term economic development plans.

At a meeting early last month, the four mayors decided to work together on a brief addressing their common problems of growth spurts in their communities combined with the sudden downturn in the petroleum sector.

The severe cutbacks in the oil patch have shown a need for diversification of industry in the four towns, and the mayors are hoping to determine what long range plans the Alberta government has made to help this come about.

The establishment of a regional economic development council is one of the suggestions the mayors hope to put forth, along with an increased emphasis on tourism in the areas.

Canada Day committee organizing tonight

Canada Day may be three months away, but they will be a very busy three months for Elk Point's Canada Day Committee.

This group, consisting of representatives of clubs, organizations, and groups in Elk Point, and a representative from Elk Point Town Council, will hold their first meeting tonight at 7:00 p.m. to get an early start on plans for the giant celebration.

July 1, 1986 will mark the fourth year for Canada Day celebrations in Elk Point. More and more events and attractions have been added each year, since the first "birthday party" was held in 1983, with notable additions last year including a pancake breakfast and the First Annual Elk Point Bed Race.

We are never sure what new events will crop up each year, but we do know that they will be fun, and will be part of the biggest and best Canada Day ever. Let's all get behind the committee, and be ready to lend a hand when needed.

Farm income from power

In a meeting with Bob Bogle, Minister of Utilities, The Small Power Producers Association of Alberta (SPPAA) presented a viable plan to inject $100-million annually into Alberta's rural economy via small power production by the farmers and ranchers of Alberta.

Orrin Hart, Chairman of the SPPAA and Frank Crawford, Chairman of The Athabasca Agro-Power Association represented their respective groups at the meeting with Minister Bogle. Also in attendance were farmers, ranchers and businessmen.

The plan presented would provide significant assistance to Alberta's number one economic priority - agriculture. If the concept is accepted by the provincial government, this benefit to agriculture will be achieved with no cost to the taxpayer or electrical consumer.

For the past twelve months, the SPPAA has been negotiating for amendments to the Electrical Energy Marketing Act which would allow small power producers (by means of utilizing renewable resources) entry into the provincial electricity generating market at present held by Alberta's three major power companies.

TINY ARTISTS — In the Lioness Easter Coloring Contest included 3 to 5-year-old prize winners (l-r) Claudia Naber (1st) and Christine Penz (2nd) in the Girls division, and Kris Gusnowski (2nd) and Tyson Ballas (1st) in the Boys division. Sylvia Boothman presents the awards.

For 25 years, you've made young Albertans stand out.

Help us again this year to honor outstanding youth.

They're the ones who assume a leadership role in the community -- despite their age. They aid the elderly, or help handicapped classmates fit in. They overcome physical and emotional challenges. They stand out as examples to us all.

Since 1961, Alberta Power Limited and TransAlta Utilities have sponsored the Alberta Junior Citizen of the Year Awards. Each year, Alberta's Lieutenant-Governor has helped us place the spotlight on outstanding young citizens between the ages of six and 18.

Our Silver Anniversary will continue a proud Alberta tradition. We need you to make it a real success. Fill out the coupon below -- and help us bring recognition to the most deserving young person or group of young people you know.

Pioneer Circle dancers swing their partners

By Irene Magnusson

The once-a-month dance at the Pioneer Circle Hall got under way at around 8 p.m., Saturday, March 22nd. The smallish turn-out of Elk Point members were augmented by over a dozen dance enthusiasts from St. Paul, combining to make a lively crowd.

Morris Cooper was called upon to perform as floor manager, and did so with flair, calling several good 'mixers', and getting everyone up off the benches, with some good old-time dances.

For once, there was an equal turnout of men and ladies, not at all usual; there are generally more ladies than men. Guess they like dancing better.

The usual orchestra was not available that evening, so a trio of ladies from Bonnyville, under the leadership of Kathy Smith, were invited to play - and very well they did, too. The trio, besides violin, piano and guitar, also played accordians - all of them - and at one point played them all together.

The dancing continued until midnight, when welcomed coffee and snacks was served. The crowd went home content with a lively evening of music and dancing. Watch for notices of next month's dance.

SENIOR WINNERS — In the age 9 to 12 category of the Lioness Coloring Contest were (l-r) Kristin Kittlitz, 1st, Girls; Lori Porcina, 2nd, Girls; Cody Kurek, 2nd, Boys; and Sheldon Kinjerski, 1st, Boys, who accepted their prizes from Sylvia Boothman.

LIONESS COLORING CONTEST WINNERS — In the Age 6 to 8 division were (l-r) Melanie Ference (1st) and Donna Pinder (2nd) for the Girls and Darren Watson (2nd) and Jason Pankiw (1st) for the Boys. Sylvia Boothman made the presentation.

MAKE YOUR FIRST CATCH A 1986 ANGLING LICENCE!

All Alberta anglers with the exception of children under 16 years of age and residents over 65 are required to have a 1986 angling licence as of April 1st.

Licences are available at local Fish and Wildlife offices, sporting goods stores and tackle shops throughout the Province.

Anglers are also reminded to hook a copy of the 1986 Guide to Sportfishing Regulations for important rule changes, information on mercury levels in fish, and maps showing lakes, streams and rivers.

ANGLERS! Please note that critical walleye spawning waters have been closed to all fishing. These closures will help protect walleye stocks and ensure them for future fishing seasons.

And remember, limit your catch. Leave some behind for next time.

Yea, TEAM!

Elk Point's Co-op Peewees are off to pit their talents against the finest Peewee "C" hockey players in the province this weekend, and the best wishes of the whole community go with them.

Some of their competitors will come from much larger communities than ours, with much larger crops of hockey hopefuls to draw from when making up a team. Some of those teams may have a future super-star in their midst. Some may also have substantial financial backing to send them effortlessly on their way.

It is unlikely, however, that any team will have more team spirit than the Elk Point boys. These fifteen young men did not get to the top of their zone by saying, "I want that goal, and I don't need HIM to help me". They know that assists are as important as goals, and defensive play is as important as assists. They know the most important skill in hockey: how to play as a team.

These boys have blended their talents to form a cohesive unit that has led them to countless wins during the season and zone playoffs. They have practised until they know automatically where the other fellow will be when they pass the puck, and where to position themselves to give the most assistance to the goalie.

Game sheets from the past season show that all players have been involved in the scoring and assists, with multiple assists on goals common. True, some players may have more goals to their credit than others, but this may well be because of their position on the team, which puts them closer to the opposing goal on more occasions.

Teamwork is the goal of every hockey team, but few teams have their system so fine-tuned as the Elk Point Peewees. We sincerely hope that their skills will lead them all the way.

But, if not, we will know at least that they have done their very best, and tried their hardest to make their dream a reality. If they should meet with stronger and undefeatable adversaries, we know that they will be gracious and sportsmanlike in their loss.

The very best of luck, to the players and their coaches, trainers and managers. Remember we are all behind you one hundred percent, and never forget that good sportsmanship, a good time, and good teamwork are the essence of good competitive play.

Spring clean up

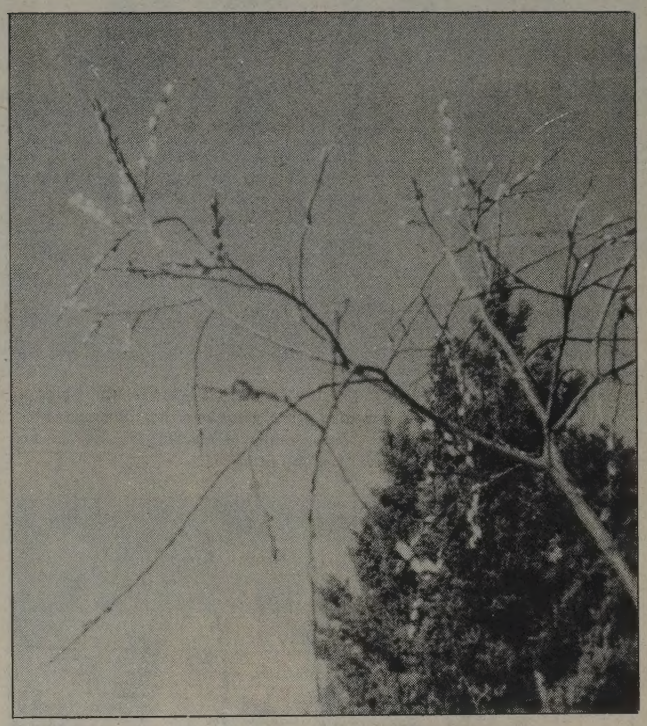
We could hardly wait for the snowbanks to disappear, could we? But what has appeared in their place is no pretty sight.

The debris hidden by the white layers during nearly six months of winter has emerged, and is just waiting to be blown about by spring winds.

The lost dog dish, stray pages of newspaper, misplaced mittens, and piles of unraked leaves are disclosed to the bright light of spring, and to the sight of all.

Let's do something about it right away — take a trash bag along when we go out to check on our tulips, and pick up debris as we go for our inspection tour of the yard. Spring cleaning isn't half as boring when it's done outdoors in the bright, warm sun and nice fresh air — it could even be fun!

'April in Alberta'



WE KNOW SPRING HAS SPRUNG — When pussywillows burst forth. I. Magnusson

It's April in Alberta,
There's a rustling o'er the land
There's a hurry
And a scurry
Rushing water on each hand!

The crocus and the willow bud
Don furry coats again
And children splashing in the mud
Repeat the glad refrain
"Come out! Come out! It's April!
Spring is about in April!"

Lovers who with their loves wer pleased
To dream the winter through
Now feel the urge
And the warm blood surge
To make those dreams com true.
"Sing out! Sing out! With April!
Love is new in April!"

Now great warm Nature with her wand
Looks over the naked plain
And sees the need
To quick the seed
And clothe the land again.
"Awake! Awake! It's April!
Life starts new in April!"

St. Paul, Bonnyville win Atom tournament

The Elk Point Atom Tournament was held March 22 in Elk Point, with teams from St. Paul, Wainwright, Vermilion (2), Bonnyville & Elk Point participating. Games were held Friday night with Elk Point & St. Paul defeating the two Vermilion entries. Play continued on Sat. in round robin play resulting in a Bonnyville vs. Vermilion White "B" final which Bonnyville won 8-6. The "A" final featured Elk Point vs. St. Paul in a continuation of a year long rivalry. The fans were treated to a closely fought, tight checking, penalty free game which St. Paul finally won 8-6 with two late 3rd period goals. St. Paul was presented with the Dome Petroleum Atoms Invitational Trophy by Doug Callback of Dome Petroleum. The Elk Point Atoms would like to thank Dome Petroleum for their support throughout the last two seasons. The coaches & players of Elk Point Atoms would also like to thank the various referees for doing an excellent job not only in our tournament but throughout the year.

June 3 - Census Day

The 1986 Census of Population and Census of Agriculture will take place on Tuesday, June 3, 1986. The Census will provide detailed statistical data for use in the development of labour markets, job creation and income support policies. It will also provide data on education, disabled people and language knowledge and use.

The Census will involve the services of nearly 45,000 Canadians, 67 per cent of whom must be age 18 to 24.

Anyone who wishes to become a Census Representative must register at a Canada Employment Centre, or a C.E.C. for Students. Screening, interviewing and hiring of applicants will begin April 1st.

Census Representatives must be at least 18 years of age and hold a valid Driver's Licence. They will earn between $600 and $800 during 4 to 5 weeks between mid-May and mid-June, including some week-end and evening hours.

Dewberry News Roundup

By Cliff Cunningham
Dewberry Correspondent

Treflan Chemicals hosted a day of information and entertainment for customers and friends in the Dewberry curling rink on March 18th. Interesting information was given on proper applications of treflan by films and slides with many informative questions answered. The day started with coffee at 10 a.m. and two four-end games of curling before dinner. Sixteen players registered for the curling. At noon hour those attending were treated to a Kentucky Fried Chicken dinner. After dinner each team had two more four-end games with players rotating places.

The team on top was Glen Ewen, Lorn Timmanson, Gerald Holmen and Paul Ewasiuk of Elk Point. All players were given a prize with the top team winning padded vests. All were presented with caps. It all made a day of fun and more knowledge of sprays.

Frank Smith went to Edmonton on March 20th and had his operation on March 21st. Maryann Brock drove his car up to the city and brought the car back home. Frank and Nina Smith live just across the alley north of our place.

Philip Porter and Casper Beirman went away to Fern Lake, sixty miles north of Meadow Lake, fishing for the elusive Splake.

Sandy Robinson had good success two weeks ago at Deer Lake, ten miles north of Ministikwan. They caught three perch weighing 1½ pounds. Jackfish are not biting as their mouths are tender as a teeth softening process is going on and their stomachs are full of tiny minnows.

Fishing ends for a while in Saskatchewan to allow for spawning, after March 31st for about seven weeks. Alberta should follow this pattern. Perch lakes are fished very heavily. They should cut down on the number of perch that a family can take home each day. I read in the paper they are going to put perch eggs in some of the lakes.

The Greenlawn Goodwill Club met at the home of Liz Zayac for the March meeting. Nineteen members and three visitors were present, also two little future members, Stacy and Brooklyn Blacklock. The door prize was won by Leona Fulton. The flowers of the provinces contest was won by Leona Fulton and Jo Gray. The Birthday girls were Effie, Mickey, Adeline and Maxine. Next meeting at Greenlawn Hall April 17th.

The McDowall brothers Jim and John, got word that Ronny Maughan passed away at Sidney, B.C., March 15th. He was 86 years of age. Ronny and his wife Mary (ne Cheppel) lived north of Vermilion in the Maughan district for many years before moving to B.C.

Some of the Dewberry Seniors went to Marwayne for the cribbage playoff and came home with the Curtis Cup. We now have it in the Drop In Centre.

The ladies spring luncheon sponsored by Ladies Bible Study was held in the Dewberry Hall March 18th with Mrs. Joan Palmer as guest speaker. There was special music, and Mrs. Greta Gray sang two solos. There were 130 ladies present and dinner was put on by the Greenlawn Ladies Club with all of the trimmings. Really Delicous!

Hockey is just about over until fall. The Frog Lake tournament was held in Dewberry March 22nd and 23rd with eight teams taking part from Le Goff, two from Frog lake, and Loon Lake, Sask.

Frog Lake Oil Kings won the 'B' series over the Frog Lake T Birds and Clandonald won the 'A' series over Landonville Lords.

Murray Molineu, Clandonalds goalie had two scoreless games, one against Le Goff and the other with Landonville. He also won the Goalie Shoot Out. Congratulations, Murray!

On March 17th at the Dewberry arena: Clandonald 14 — Frog Lake 6; March 20th (novice), Dewberry 0 — Marwayne 4; March 22nd, Dewberry Mustangs 6 — Marwayne 5, with Brent Romanchuk scoring the winning goal in the second overtime period. There are not many playoff games left. The Dewberry Atoms had luck in the Provincial playoffs with Roy and Dorsey Butz as Manager and Coach. They were Zone 2 winners defeating Josephberg, Vegreville, Grand Centre and Gibbons. Dewberry then advanced to the final provincial 'B' tournament held in Pincher Creek March 14 - 16, and captured the Atom B provincial title. The Dewberry Colts defeated Hanna, Leduc, Coaldale and Pincher Creek. In the final game Dewberry won over Sylvan Lake 12 - 3. Atom League playoffs were held in Grand Centre on March 22 - 23 and were won by the Dewberry colts defeating Lloydminster in the final game 9 - 4. In the Pincher Creek tournament the colts scored 54 goals with Robby Butz scoring 32 of them. That could be a record. Well done boys, we are proud of you.

THE FEARLESS ELK POINT OUTLAWS — Bottom row, l-r: Jimmy Andrishak, Kelly Ference, Jack Tymofichuk, Cam McCoy, Trevor Roszel, Wayne Tymofichuk; Back row, l-r: Andrew Boddy, Wayne Hudson, Dean Birkett, Gordon Kobsav, Rick Bilak, Allan Ference, Larry Kalynchuk, Glen Gulayets, Ken Ference. Missing: Dave Ference, Doug Millar, Rick Ference, Brian Moneta.

Outlaws wind up broomball season

For one more year, the Elk Point Outlaws broomball club are packing in their brooms and sweaters. The year was a successful one...we finished fourth in the Northeastern Alberta Winter Games and took the "B" side in the Marwayne Tournament.

Many thanks to our sweater sponsors: John Wozniak, Texaco Bulk Sales, Elk Point Hotel, Empress Family Restaurant, Elk Point Insurance and Realty, E-Can Oilfield Services, Linx Oilfield Services (Dewberry), Sparky's Oilfield Services (Clandonald), Hi West Well Servicing, Dominion Oilfield Supply, Maverick Oilfield Services, Petro Tee Electric, Macleods Family Shopping Centre and Continental Supply.

If you have an Alberta Power transmission line on your property

READ THIS
IMPORTANT NOTICE

Regulations under the Surface Rights Act mean you may qualify for annual rental payments for the structures on your property which support transmission lines of 69 kV or more.

You are one of more than 3000 people Alberta Power will be contacting. But the sheer number means these contacts will take time.

The regulation says that the date of the first payment depends on when we sign an agreement. But . . .

Alberta Power will agree to make all annual rental payments retroactive to June 1, 1985.

No matter when we contact you and sign an agreement, we will make the rental agreement retroactive to the date the regulations were issued.

The regulation allows you to make an application to the Surface Rights Board to determine the amount of the annual payment. Although the regulation says that, in this case, the date of the first payment depends on the date you file an application with the Surface Rights Act,

Alberta Power will voluntarily make the payments retroactive to June 1, 1985,

even if the Surface Rights Board is called upon to decide the amount of the payment.

We're working as quickly as we can to contact all of the landowners who are eligible for these annual rental payments.

But now you can rest assured that whenever we contact you, the payments will be made retroactive.

We're making this offer because we want to be fair to you.

That's the way we do business at . . .

ALBERTA POWER LIMITED

NOTE: If you're not sure whether the transmission line on your property is 69 kV or more, contact your local Alberta Power office.

Factors affecting rapeseed quota need

Requests for larger export rapeseed quotas have presumably been stimulated by inability of some companies to generate sufficient stocks to satisfy their needs and aspirations. Before adjusting quotas upward certain facts and questions should be considered.

Is the problem more of a low perceived price situation than a shortage of delivery opportunity at farm level? The current quota provides for delivery to country elevators of 16 bushels/acre. The average yield in 1985 was just over 18 bushels/acre. Perhaps producers are holding stocks in hopes of higher prices.

Are Canadian rapeseed exports lagging this year? Japanese purchases to date this year are normal. Selection of quality supplies for Japan have been occasionally difficult.

Are quota provisions in delivery permit books sufficient to provide for delivery of the 1985 rapeseed crop? Assigned Alberta acreage to canola is now about 3.7 million acres. (Western Canada assigned is 8.5 million acres). The present 16.1 bushel/acre quota thus provides for delivery to country elevators of over 1.3 million tonnes (Western Canada provision is 3.1 million tonnes.) The 1985 Alberta canola crop amounted to 1.1 million tonnes. (Western Canada crop is 3.5 million tonnes.)

What about rapeseed supplies to domestic crushing plants? Grain Commission figures are March 2, 1986, showed a total of 750,000 tonnes of rapeseed delivered into the Canadian domestic market so far this crop year. About 35 per cent of western rapeseed was crushed in the West last year.

Are there other complications with quota adjustment? Western farmers have opportunity to make room for barley delivery by switching canola acres into barley acres before the April 15 deadline for quota transfer.

Would a larger export rapeseed quota harm the industry if it were provided now? While export markets for both barley and rapesed are difficult to predict even in the short run, an increase of the export rapeseed quota now should not seriously interfere with grain movement or country storage.
